

Emily Meschter Early Learning Center

News from Miss Aubrey: August 9-16

Hi there and welcome to Emily Meschter Early Learning Center (EMELC)! I am so excited for this school year and to watch as your sweet children learn and grow throughout the course of our time together this year!

Donations

Our classroom is in need of the following items:

Goldfish Crackers

Fruit Snacks

School Supplies

Kindergarten Preparation

Each month, I will highlight one skill for you and your family to think about or work on at home that promotes kindergarten readiness! :)

Read a story with your child about the transition into school. Discuss friendship, nerves, and kindness!

With the first day of school comes many things to remember! Each day your student will take a blue folder home with important papers and information for your family to remember. Our weekly newsletter will be sent home at the beginning of each week, as well as our attached "Daily Notes" on the backside of the newsletter for a play-by-play of what we are learning each day of the school week! Along with your

newsletter, a snack calendar will be sent home at the beginning of each month, as well as our "Communication Log" which is used through the lined paper in the center of your child's folder. Please feel free to ask questions, update me on your child, or just simply say "hi"! Communication is key!

Weekly Parent Tip

With the new school year, it can be tricky getting your child into their new school routine. Share in the excitement with your child and talk with and read stories about school, meeting new friends, and transitions. This may calm nerves, as well as create a sweet bonding time for the whole family!

Flip this newsletter over for more information! :)
