News:

- On January 31st, there will be a scheduled lockdown drill. Students and faculty will practice being safe in an emergency situation. At the preschool level, we use words like “danger”, “plan”, and “follow” to help children understand what to do.
- Don't forget to contact me if you're able to be a guest reader for February Love of Reading Month!
- All students have now been equipped with new Student Folders. Please remember to check them each day, and return them in backpacks.
- Please write your child's name on the tags of their cold-weather clothes, and keep an eye out at home for items that may have found their way to the wrong house. Thank you!

Important Dates:
