Miss Demi's News

Emily Meschter Early Learning Center
Feb 4-8

This Week

This week during our whole group lesson, we will be focusing on eggs! We will be learning new vocabulary words related to eggs as well as completing different science experiments with eggs! We will also hunt for eggs around our classroom and create egg towers!

In Miss Jessica's room our class we will reading the book *Shh! We Have a Plan* by Chris Haughton. During centers we will also be focused on birds, and what feathers can be used for, as well as producing a plan of how they would catch a bird.

Upcoming...

Valentine's day is just around the corner! If you would like to bring in Valentine goodies for our class feel free. We will be passing out our treats in the afternoon. We will be decorating tissue boxes as our goodies box. Please bring in empty tissue boxes to ensure we have enough for our class!
