Emily Meschter Early Learning Center

Nov 19-21

This Week

This week during our whole group lesson, we will be discussing our favorite colors and creating a class graph. We will also be comparing our shoe colors and other attributes and creating a graph.

For our centers we will be adding to our STEM Journals and creating model graphs using manipulatives.

Our class is working on cleaning up after ourselves. We will have a class marble jar. Every time we do a good job cleaning up I will add a few marbles to our marble jar. Once we will the jar up to a certain spot we will have a pizza party, movie party, etc. I will be asking for donations as we go.
