Miss Demi's News

Emily Meschter Early Learning Center

Oct 29-Nov 2

This Week

This week during our whole group lesson, we will be measuring pumpkins and predicting what is inside! We will be creating class graphs and charts. We will also be documenting our findings in our science journals.

In Miss Jessica's class students will be reviewing the book, *Tango Makes Three* by Justin Richardson and Peter Parnell. Children will then discuss what some basic elements of living are, such as water and food.
