Emily Meschter Early Learning Center  
Sept 3-7

## This Week

This week, because we have a short week I will be focusing on completing our Early Learning Checklists. The Early Learning Checklist is a short list of tasks such as, identifying the letters A-Z identifying the numbers 0-10, identifying shapes, as well as identifying colors. This is a tool for me to use to keep track of your child's progress here at school. I will complete the Early Learning Checklist three times throughout the year. The first check in will be during this week, the second will be right before we go on Christmas break and the third will be right before our last week of school. If you have any questions feel free to email, call or use our Remind App!

### Parent Tip:

Develop routines! Children become familiar with following the same routine, and quickly learn the expectations. The more consistent you are the more cooperative your child will be.
