

## Weekly News from Miss Aubrey

**EMELC: October 8-11**

Welcome back to another great week at Emily Meschter Early Learning Center!

This week, students will continue to engage with the story, "123 A Family Counting Book". In our literacy small group center, students will reread through the story; while engaging with the story, students will work together in order to create their very own counting book as a class. In math small group centers, students will continue on with our ongoing color study

### **Kindergarten Preparation**

Each month, I will highlight one skill for you and your family to think about or work on at home that promotes kindergarten readiness! :)

**Review numerals 0-20 with your child! Count eating utensils, socks, books, or rocks in your backyard.**

### **Donations**

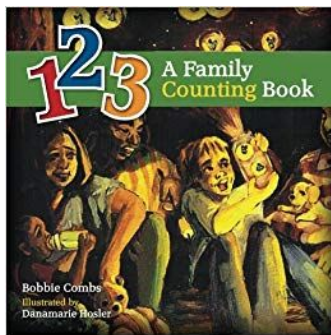

Our classroom is in need of the following items:

**Dish Soap**

**Dry Erase Crayons**

project and explore the color pink! Students will create individual, as well as whole class color collages and learn the "pink song"!

### **What are we reading this week?**

### **Important Information:**

- ★ **Library:** Every Monday! Please return library books each Monday in order to receive a new book each week!
- ★ **Fall Fest:** Wednesday, October 24 from 4:30PM-6:00PM.
- ★ **'Emily Meschter Early Learning Center' Facebook Page:** 'Like' for updates, reminders, and fun!

### **Weekly Parent Tip**

Counting can be fun! When making dinner, portion out as many items that you have available. Count each item with your child and see if they know where the items are supposed to go afterwards!

**Flip this newsletter over for more information! :)**

# Daily Notes for October 8-11

## Unit Focus: Literacy

### Weekly Learning Goals

1. **Literacy:** Students will increase mathematics, collaboration, and fine motor skills by engaging in a small group center where they will create a number book as a class.
2. **Math:** Students will increase fine motor and color identification skills by engaging in a collaborative learning activity where they will study a color of the week (pink).
3. **Emergent classroom:** Students will work together in order to create their very own counting book!

### “What is my child learning this week?”

- **Monday (Literacy):** In whole group, students will engage in Yoga Therapy! In small group learning centers, students will increase mathematics, collaboration, and fine motor skills by engaging in a small group center where they will create a number book as a class (day one).
- **Tuesday (Literacy):** In whole group, students will engage in Yoga Therapy! In small group learning centers, students will increase mathematics, collaboration, and fine motor skills by engaging in a small group center where they will create a number book as a class (day two).
- **Wednesday (STEM/Math):** In whole group, students will engage in Yoga Therapy! In small group learning centers, students will increase fine motor and color identification skills by engaging in a collaborative learning activity where they will study a color of the week (pink)(day one).
- **Thursday (STEM/Math):** In whole group, students will engage in Yoga Therapy! In small group learning centers, students will increase fine motor and color identification skills by engaging in a collaborative learning activity where they will study a color of the week (pink) (day two).
- **Friday:** NO SCHOOL. See you next week and have a great weekend! :)

*\*Please see the full lesson plan posted in the classroom if you would like to know which Arizona Early Learning Standards are being emphasized in this week's curriculum.*
