

Weekly News from Miss Aubrey

EMELC: September 4-6

Welcome back to another great week at Emily Meschter Early Learning Center! We hope that you had a lovely long three-day weekend!

Donations

Our classroom is in need of the following items:

Dry rice

Dry beans

Dish Soap

This week is a short week, due to Labor Day on Monday. This

Kindergarten Preparation

Each month, I will highlight one skill for you and your family to think about or work on at home that promotes kindergarten readiness! :)

Review the eight basic colors with your child! Then, go around your home or neighborhood and find items that are colors you have discussed!

week, students will work on their color study project;

this week student's will be

learning about the color yellow! We will

create individual color collages, as well as a collaborative classroom collage.

Students will get to glue on their "Beautiful Things" onto their posters!

Please read and review the bright yellow paper sent home in your child's folder!

This is an important document that details

out some whole school trainings that are new to us this year. If you have any questions, comments, and or concerns, please let me know! Also, if you would like to assist our class and your child during these trainings, please see me for more information! Thank you! :)

REMINDER!

Pick-up families: Please wait for bus riders to leave the classroom before entering. Miss Ana and Miss Jennifer will open the door as they let bus riders out and they will invite you in! This will ensure that all students are safe in the classroom or walking to the bus bay with an adult. Thank you for your support!

Weekly Parent Tip

This week, I would like to provide each family with a few meaningful conversation starters; do you ever ask your child how their day at school was or what they may have learned? Here are some questions you can ask that may activate deeper conversation: "What made you smile today?", "How did you show kindness?", and "Who did you play with today?".

Flip this newsletter over for more information! :)

Daily Notes for September 4-6

Unit Focus: Literacy

Weekly Learning Goals

1. **Literacy:** Students will increase fine motor and color identification skills by engaging in a collaborative learning activity where they will study a color of the week (yellow).
2. **Math:** Students will increase fine motor and color identification skills by engaging in a collaborative learning activity where they will study a color of the week (yellow).
3. **Emergent classroom:** Students will engage with a variety of learning centers within their classroom, as well as within Mister Ben's classroom.

"What is my child learning this week?"
