

Ms. Jessica's parent connection

HOW WAS MY FRIEND _____ TODAY?

Monday February 5	Tuesday February 6	Wednesday February 7	Thursday February 8	Friday February 9
				Library Day Dr. Sue's Birthday!

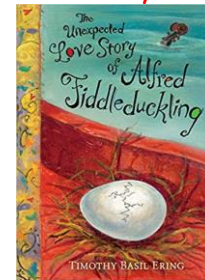

This week's information:

- Please sign-up for our love of reading sign up!
- Check out our new mural thanks to Danielle Anderson's ceramics classes. Our 2016-2017 kids and staffs hands can be found within the mural.
- Please save and bring in a recyclable box for your child to make a Valentines mailbox. Previous years the tissue boxes just are not big enough for all the love we receive on Valentine's Day. Cereal sized boxes work much better. Please visibly write child's name on it and place on top of cubbies thank you.
- No school February 22nd and 23rd
- Picture day March 1st
- Festival under the stars March 2nd 4:30-7:30pm
- Spring into kindness March 22 4:30-6:00pm

Vocabulary words:

Literacy	Math/Science
1. Fiddle	1. Pattern
2. Unexpected	2. Repeat
3. Silence	3. Border
4. Quivering	4. Frame

Literacy: Students will be able to help identify problems and solutions with in our story this week.

Math: Students will be able to spot, extend, and make patterns with colors and music.

Parenting tip-

Valentines Gifts are NEVER about the item or product. That teaches all the wrong lessons about love and friendships. Make this time of year about the heart to heart expressions that build friendships and connections. Have your child and your family make handmade cards, spend extra time together, etc. to remind them they are important, but also it is important to show others real love.
